

**Billings Barrel Racing Series
PO Box 57
Huntley, MT 59037
406-672-5346**

Dear Potential Sponsor,

The Billings Barrel Racing Series, often referred to as the BBRS, is entering another great season in the Billings, MT area. Some of you are familiar with the BBRS as you have been long standing supporters of our organization-others are not. Let me take a moment to introduce our organization to you.

This upcoming season will be our 41st consecutive year of barrel racing. Our weekly jackpots are held on Wednesday nights, beginning Mid-May and ending in August. We average 55+ competitive runs each week with an environment that is family friendly and affordable to everyone. Both members and non-members are welcome to come enjoy the race each week.

Another unique feature of the BBRS is that we provide outstanding year-end prizes to all five divisions along with the Top 10 Overall point earners. In 2023 we were able to award custom saddles to each of the division winners along with prizes awarded through fifth place. We hope to continue to maintain this level of awards in 2025.

We are humbly asking you to consider supporting our dedicated group of barrel racers with a cash donation that will be used to purchase Year-End awards. The attached sponsorship form outlines the different levels of sponsorship. If you have any questions, please feel free to reach out to our Secretary, Linda Wacker at 406-672-5346 or the person that has reached out to you personally.

We welcome and appreciate any support that you and your business are able to provide.

Thank you for your time and consideration.

Sincerely,
Billings Barrel Racing Series Board of Directors and Members
